O R D E R :

The All India Council for Technical Education in their letters 3rd to 34th read above has accorded approvals for establishment of (5) new Engineering Colleges and Additional courses /Increase of intakes in the existing (27) Engineering Colleges.

2. The Commissioner of Technical Education, Andhra Pradesh, Hyderabad in his letters 35th to 57th read above while forwarding copies of All India Council for Technical Education approvals has requested to take necessary action in the matter.

3. The Secretary, A.P. State Council of Higher Education, in his letter 58th read above has informed that the EAMCET Web counseling programme for the candidates who were already admitted in the under Graduate Engineering / Pharmacy colleges and desiring sliding to other colleges have commenced with effect from 24th August, 2008 and there is no scope for repeating the counseling for the above said programmes starting from rank 1 onwards in any subsequent phase of counseling and if colleges have to be included at this stage in the counseling process by repeating the whole counseling from rank 1, i.e., in order of merit, it would cause undue delay in completing the admission process and commencing the class work for the academic year 2008-09. The class work has also commenced on 24.09.2008. He has therefore requested not to consider granting permissions for new Engineering / Pharmacy Colleges and variation of intakes / additional courses for the academic year 2008-09 after 23rd August, 2008. Hence no action had been taken at Government level, on the proposals of the Commissioner of Technical Education received after 23.8.2008 for according approval for setting up new colleges or for variation of intakes / introduction of new courses in existing colleges.

Contd..2.

4. In the meanwhile, some of the managements of the Engineering Colleges have filed Writ Petitions before the Hon'ble A.P High Court. The Hon'ble Court has passed similar interim orders in all the W.Ps directing the respondents to pass appropriate orders on the representations made by the Petitioner's Institutions for grant of approvals.

5. In pursuance of A.P.High Court orders, the matter has been examined by the Government. Since the Secretary, A.P. State Council of Higher Education, Hyderabad has intimated that the EAMCET Web counseling programme for the candidates, who were already admitted in the under Graduate Engineering / Pharmacy colleges and desiring sliding to other colleges, have commenced with effect from 24th August, 2008 and there was no scope for repeating the counseling for the above said programmes starting from rank 1 onwards, which is mandatory in order to satisfy the criteria of merit and transparency in the admission process, as stipulated by the Hon'ble Supreme Court of India in P.A. Inamdar Vs. State of Karnataka, it was considered not appropriate to accord permissions either for new colleges or for variation of intakes in the Engineering / Pharmacy Colleges. Accordingly, the matter has been considered and orders have been issued in the G.Os 59th to 62nd read above rejecting the representations of the Managements of the Colleges.

6. In his letter 63rd read above the Secretary, A.P. State Council of Higher Education, Hyderabad has informed that the Admission Committee has on 3.10.2008 reviewed the process of admissions held so far through EAMCET-2008, SW-I for the academic year 2008-09 and observed that there are 9957 seats vacant in all the categories including 5066 seats in SC & ST categories, besides 867 seats fell vacant due to cancellation of admissions by some of the admitted candidates; that some of the vacant seats are in reputed Engineering Colleges including University Engineering Colleges; and that new approval have been received from All India Council for Technical Education for establishment of new Engineering Colleges and additional intakes in the existing Colleges with additional capacity of 2600 seats. The Committee, after taking into account the above factors, resolved to revise their earlier decision taken in the previous meeting and recommended to conduct Web Based Counseling w.e.f. 12th October, 2008 by inviting students from rank 1 to give their options by including all the new Colleges and additional intakes sanctioned in the existing Colleges. The Secretary, A.P. State Council of Higher Education, Hyderabad has requested the Government to take appropriate action in the matter.

7. In view of the changed circumstances, Government, after careful examination of the entire matter and in supersession of orders issued vide references 59th to 62nd decided to accord permission for establishment of (5) new Engineering Colleges as indicated in the annexure.I and Additional courses /Increase of intakes in existing (27) Engineering Colleges as indicated in the annexure.II appended to this order, for the academic year 2008-2009, subject to fulfillment of conditions stipulated by the All India Council for Technical Education and subject to obtaining affiliation from the concerned Universities.

::4::

8. The Commissioner of Technical Education, Andhra Pradesh, Hyderabad is requested to take necessary further action in the matter.

9. A copy of orders is available on website www.ap.gov.in/goir

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
